SUPERIOR PERGOLAS

High-quality structural vinyl pergolas with a variety of sizes, colors and styles available.

What is a Pergola?

A pergola is an outdoor structure comprised of wood, vinyl or aluminum and used to define an outdoor space with select variations of shade or privacy. Pergolas are also a practical solution for protecting a homeowner's outdoor space from direct contact with the elements.

How are they typically used?

A pergola can be either free-standing or attached to your home over a patio or deck. Attached pergolas function more as an extension of your home and extend out directly from the wall of your house, usually centered over a patio door that opens up to your outdoor living space. A homeowner can install a free-standing pergola just about anywhere, including patios, decks, yards, and gardens.

WHAT MAKES OUR VINYL SUPERIOR?

Our focus is on being a premium product and we don't compromise on quality. That means no skimping on wall thickness or adding cheap fillers to our vinyl. Long-term customer satisfaction is our goal.

The answer lies in both the composition of our product *and* the unique details we manage to make life easier for our customers.

Superior Plastic Products is a manufacturer. We don't buy our vinyl, we make it. If there's a quality control issue or a machine malfunction, we don't have to wait for someone else to fix it—we do it ourselves. And if an item doesn't meet our quality standards, we don't send it to our customers.

MANUFACTURED IN THE USA

Superior products are proudly designed and manufactured in the USA to ensure a quality fit and finish.

SUPERIOR PRODUCT COMPOSITION

- TiO2 levels are some of the highest in the industry, giving our white vinyl its clean white appearance and helping to maintain all of our colors
- UV inhibitors help limit color fading
- Impact modifiers provide flexibility to keep our vinyl from cracking or shattering
- Co-extrusion process puts a high-quality virgin cap, made from our custom blend of materials, over a strong substrate for long-lasting good looks
